

# The Complete K-12 Violent Threat Response Checklist

**A student has made a threat of harm. First, you must:**

- De-escalate the situation
- Gather information
- Interview the subject
- Interview witnesses

**Then, assess and evaluate the subject's:**

- Academic history
- Previous behavior
- Social media accounts
- Community involvement
- Family and social life

**With this information, it's time to:**

- Determine the threat level
- Act accordingly
